The Names Code: The meaning of a name was very important in bible days. Sometimes the bible itself informs the reader what a name means. Famous biblical persons such as Adam, Cain, Seth, Noah, Abraham, Isaac, Jacob and his 12 sons, all have the meaning of their name explicitly given in the bible. Their names tell the story of why or how they were born.

The Bible Code purports the existence of a hidden code in the Hebrew text of the Old Testament. This code, according to Drosnin, contains information about future events—especially, it would seem, tragic world events of monumental proportions. The book appeals to legitimate fears about irrational, violent forces loose in the world.
