

the psychic power of pdf

A psychic is a person who claims to use extrasensory perception (ESP) to identify information hidden from the normal senses, particularly involving telepathy or clairvoyance, or who performs acts that are apparently inexplicable by natural laws. Although many people believe in psychic abilities, the scientific consensus is that there is no proof of the existence of such powers, and describe the ...

Psychic - Wikipedia

A psychic is a person who professes an ability to perceive information hidden from the normal senses through extrasensory perception (ESP), or is said by others to have such abilities. It is also used to describe theatrical performers who use techniques such as prestidigitation, cold reading, and hot reading to produce the appearance of such abilities. It can also denote an ability of the mind ...
