

the religious dimension of pdf

Religiosity is difficult to define, but different scholars have seen this concept as broadly about religious orientations and involvement. It includes experiential, ritualistic, ideological, intellectual, consequential, creedal, communal, doctrinal, moral, and cultural dimensions. Sociologists of religion have observed that the people's beliefs, sense of belonging, and behavior often are not ...

A religious experience (sometimes known as a spiritual experience, sacred experience, or mystical experience) is a subjective experience which is interpreted within a religious framework. The concept originated in the 19th century, as a defense against the growing rationalism of Western society. William James popularised the concept.. Many religious and mystical traditions see religious ...
