In general, a rural area or countryside is a geographic area that is located outside towns and cities. The Health Resources and Services Administration of the U.S. Department of Health and Human Services defines the word rural as encompassing "...all population, housing, and territory not included within an urban area. Whatever is not urban is considered rural."

The Rural School Innovation Network (RSIN) is a mutual-aid network for sharing innovations that improve rural education, especially in the poorest rural communities in the United States. As an alliance of rural education and community advocates, the RSIN works to connect schools with their communities to improve the outcomes for school-aged children and young adults.
