Cluttered Mess to Organized Success Workbook: Declutter

This entire process took me an embarrassingly long stretch of time – I didn't keep close track, but I'd say four or five months. Of course my work wasn't constant, but rather, as all my work is, sporadic and crammed into naptime and preschool time and the ten minutes I can grab at any given moment during my hectically joyful days of parenting a two-year-old, being pregnant, managing a ...

Chevaline used a variety of penetration aids and decoys to offer so many indistinguishable targets that an opposing ABM system would be overwhelmed attempting to deal with them all, ensuring that enough warheads would get through an ABM defence to be a reasonable deterrent to a first strike. The project was highly secret, and survived in secrecy through four different governments before being ...
