The Basic Outline of a Paper The following outline shows a basic format for most academic papers. No matter what length the paper needs to be, it should still follow the format of having an introduction, body, and conclusion.

The Basic Outline of a Paper

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.
