A toxic leader is a person who has responsibility over a group of people or an organization, and who abuses the leaderâ€™follower relationship by leaving the group or organization in a worse condition than when they first found them. The phrase was coined by Marcia Whicker in 1996 and is linked with a number of dysfunctional leadership styles. Other names include the little Hitler, manager ...

Combined drug intoxication (CDI), also known as multiple drug intake (MDI) or lethal intoxication, is an unnatural cause of human death. CDI is often confused with drug overdose, but it is a different phenomenon. It is distinct because it is due to the simultaneous use of multiple drugs, whether the drugs are prescription, over-the-counter, recreational, or some other combination.
