work for us. In this first stage of our very short history of imagination, however, we should note the close connections, discovered early, among imagination and memory and emotion. Such connections are recognized in the Greek myths, where Mnemosyne, goddess of memory, is mother to the Muses, the goddesses of poetry, literature, music, dance, and so on.

Developmental trauma disorder

Judith Butler Writing against the War of Cultures. Sophie Croisy In this essay, I want to deal with contemporary traumatic issues at play mainly in the work of Judith Butler and Leslie Marmon Silko who are, in more ways than one, theorists of trauma, though they are not officially acknowledged as such. By doing so, I want to continue
